Washington, Oct. 23-The Civil Rights Commission will hold public hearings in Montgomery, Ala., beginning Dec. 8 in a move to compel disclosure of Alabama voting

Officials of Macon County, Ala., refused this week to give registration documents to commission in-

The six-member rights commission voted unanimously today to go to Alabama and investigate Negro voters. The hearings will be the first held since the commission was created a year ago by the Civil Rights Act of 1957.

The commission has subpoena powers under the act. While no explicit statement was made on the subject today, all indications were that the Macon County voting records would be subpoensed.

### Birmingham Bus Leaders Free On \$300 Bond

Birmingham, Ala., Oct. 27-The Rev. F. L. Shuttlesworth, Negro integration leader, and 13 of his followers were freed today after four days in jail for testing Birmingham's new bus segregation

Both Shuttlesworth and the Rev. J. S. Phifer had to post \$300 appeal bonds, however, while the remaining 12 Negroes were released after a habeas corpus hearing. Circuit Judge Lewis Bailes re-

fused to free the two ministers on the habeas corpus petition on grounds the plea was "not well taken" in xiew of the jail terms and fines they received Monday (Continued on Page Eight)
